7. Diets..... We have found an old weight chart from 3 years ago of workshop persons. Some people have put on a lot of weight in these years. Christmas is over and I believe we should now all be watching what we eat. We will fill in chart with new weights.

THE FARM

The farm is going well with a hard winter and still lots to do. Everyone has worked hard come rain, sun and snow. We have had some very muddy days work.

We have had some animal changes some new and some slaughtered. Eggs are very low due to the cold and dark/short days. We have also changed all the chickens for new stock and they should start laying February. Ducks have just started to lay. Duck eggs £1.75 per ½ dozen. Chicken eggs when ready £1.25 per ½ dozen
ANIMALS ON THE FARM.

8 Cows (1 is not ours) 21 Sheep 6 Goats 2 Rabbits 7 Donkeys 15 Ducks 33 Chickens 7 Pigs

We are hoping to breed some ducks and sell them.

Hopefully our ram has done his job so we should have lots of lambs next year. Pigs should be in pig now, 5 cows should be in calf and also the goats should also be pregnant. All in all we will be having a busy year ahead.
